PROFESSIONAL SUMMARY

Motivated undergraduate specializing in Information Systems Engineering at SLIIT with a strong interest in software development and system design. Possesses solid knowledge in Java, Spring Boot, databases, and web application development with hands-on experience in developing academic and award-winning projects. Skilled in problem solving, teamwork, and communication, and seeking an internship opportunity to apply technical skills and gain industry experience in the IT industry.

EDUCATION

BSc (Hons) in Information Technology – Specializing in Information Systems Engineering

Sri Lanka Institute of Information Technology (SLIIT)

2024 – Present

G.C.E Advanced Level (2022) - Sri Sumangala Girls' School, Panadura

G.C.E Ordinary Level (2019) - Welapura Vidyalaya, Kalutara

TECHNICAL SKILLS

- Java
 - Spring Boot
 - MySQL
 - Database Design
 - HTML
 - CSS
 - JavaScript
 - Object-Oriented Programming (OOP)
-

PROJECTS

Photography Booking and Management System (*Award Winning Project*)

Developed a web-based photography booking and management system using Spring Boot and MySQL to manage customer bookings, photography packages, add-on services, and payment handling.

Medical Store System

Developed a system for inventory management, billing, and sales tracking using Java and MySQL.

Vehicle Insurance System

Contributed to the design and development of a web-based insurance management system.

IoT Smart System

Developed a sensor-based IoT system for real-time monitoring and automation.

AI/ML Project

Built a machine learning model for data analysis and prediction purposes.

ACHIEVEMENTS

Best Project Award – ISE Project Showcase 2026

Awarded for the *Web-Based Photography Booking and Management System* under the Information Systems Project module organized by the Department of Computer Systems Engineering, SLIIT.

CERTIFICATIONS

Certificate Course in English

IHRA, University of Colombo

PROFESSIONAL EXPERIENCE

Industry Field Visit – Virtusa Sri Lanka

- Participated in an industry field visit to Virtusa Sri Lanka, gaining exposure to enterprise IT systems and corporate environments.
- Observed real-world IT operations and industry practices.
- Learned about current industry trends, career pathways, and professional expectations.

Industry Field Visit – Zone24x7 (Pvt) Ltd

- Participated in an industry visit to Zone24x7, gaining exposure to business analysis, project management, and UX/UI design practices.
-

SOFT SKILLS

- Problem Solving
 - Teamwork
 - Communication
 - Time Management
-
